Non-Participating Pharmacy

If you do not use a participating pharmacy, you must submit a claim for reimbursement to Medco, P.O. Box 14711, Lexington, KY 40512. If your prescription was filled with a generic drug or a covered brand-name drug with no generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for that prescription. If your prescription was filled with a covered brand-name drug that has a generic equivalent, you will be reimbursed up to the amount the program would reimburse a participating pharmacy for filling the prescription with that drug's generic equivalent. In most cases, you will **not** be reimbursed the total amount you paid for the prescription.

Prescription Drug Program (cont.)

Flexible Formulary

Effective January 1, 2009, the Empire Plan Prescription Drug Program will have a flexible formulary for prescription drugs. The 2009 Empire Plan Flexible Formulary Drug List is designed to provide enrollees and the Plan with the best value in prescription drug spending. This is accomplished by:

- excluding coverage for a small number of drugs;
- placing brand-name drugs that provide the best value to the Plan on the Flexible Formulary Drug List; and
- applying the highest copayment to non-preferred brand-name drugs that provide no clinical advantage over generic or preferred brand-name drug alternatives.

Half Tablet Program

The Half Tablet Program can dramatically lower your costs on select medications that you take on a regular basis. To participate in the program, your doctor must write a new prescription for twice the dosage and half the quantity. Then when you fill the prescription, you automatically pay only half your usual copayment. Split each tablet and take half to get your usual supply at half the cost. To see a list of medications available under this program, go to www.cs.state.ny.us and select "Benefit Programs". Follow the prompts to NYSHIP Online and choose "Find a Provider". Scroll to the Medco links and click on "Empire Plan Half Tablet Program". The Empire Plan will provide participants with one free tablet splitter by mail upon request.
